

Sculpture for Surgeons 2011 goes west to Devon

A change of venue for the latest course
Sunday 4th/Wednesday 7th September incl.

Aimed at consultants and trainees in reconstructive surgery. No previous artistic experience or ability is required. The course will teach observational skills in 3d assessment of the face to enable a better appreciation of the form being reconstructed.

A lifesize portrait head in clay will be achieved under the tuition of sculptor Luke Shepherd.
